**File Upload \***

 

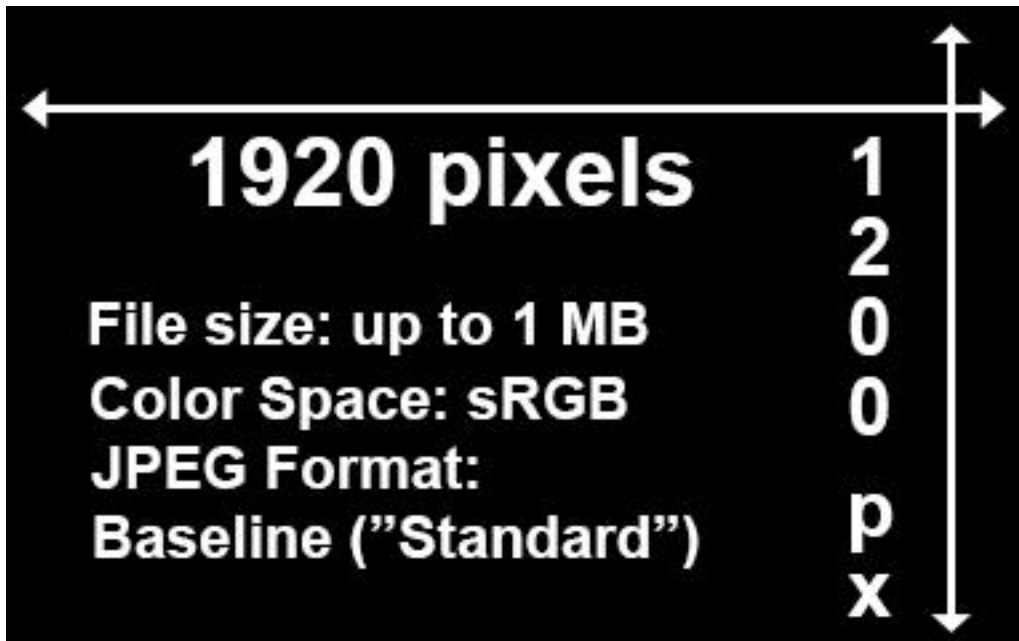

1. To submit an image for critique at Cascade Camera Club meetings, members must respond to each section on the form. Recommendations for image size, file size, color space and JPEG format are found in the **Digital Image Specifications for Optimal Projection** document.

2. Complete all blanks including name, image name and category. The name and category information should match the file name of the image that is submitted – see **Image Naming Standard**.

3. Please note: you must check the “I’m not a robot” box and complete the reCAPTCHA quiz before you are allowed to submit an image.

## Digital Image Specifications for Optimum Projection

1. Image size: up to 1920 pixels high or 1200 pixels wide
2. File size – file may be no larger than 1mb.
3. Color Space – color space, (also known as color profile): sRGB
4. JPEG Format Options: Baseline ("Standard")

### Image Naming Standard
