

Digital Image Preparation for Optimal Projection

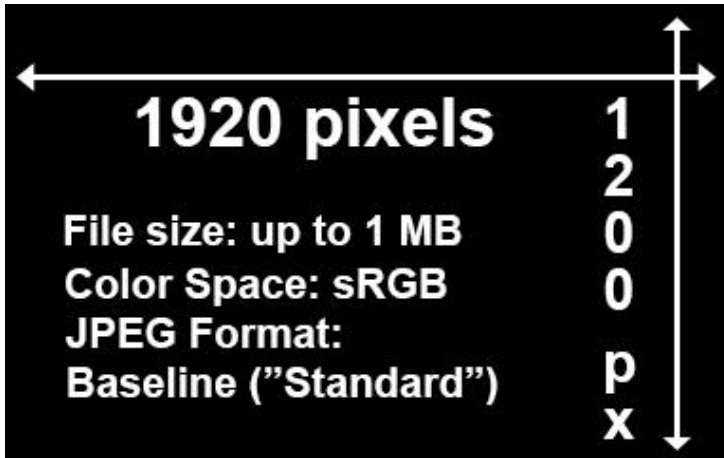

Image Naming Standard:

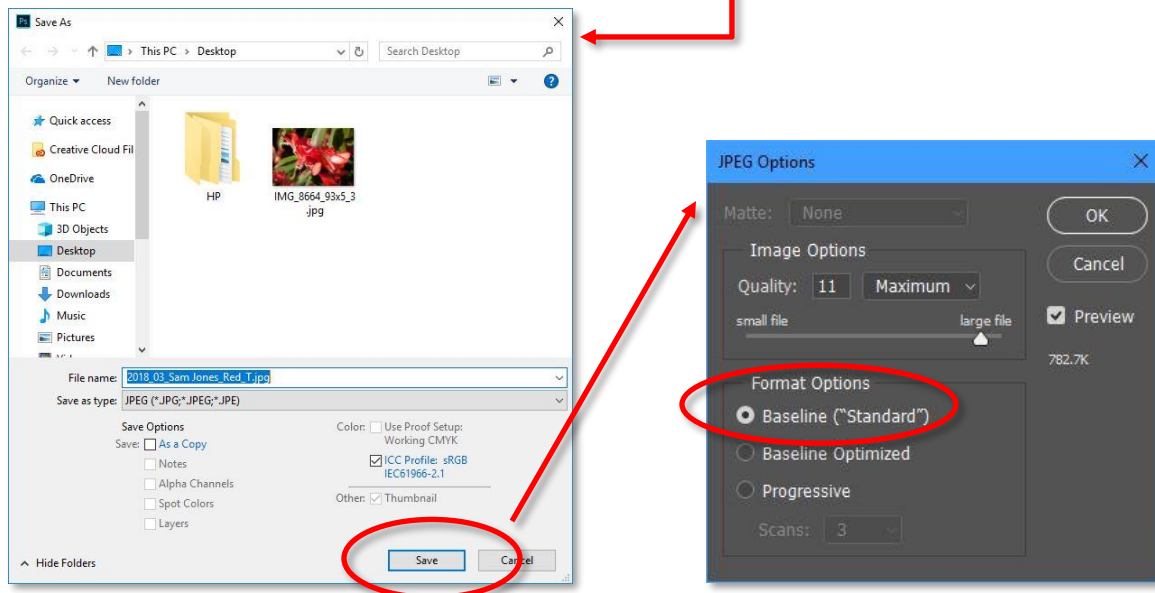

Year_Month_Photographer's Name_Image Title_Category

Example: 2016_12_Joe Smith_At Peace_T

Category: T for theme images; O for open (non-theme) images

1. Image size: up to **1920 pixels wide** or **1200 pixels high**
2. File size – file no larger than 1MB.
3. Color Space (also known as color profile): **sRGB**
4. JPEG Format Options: **Baseline (“Standard”)**

[to open JPEG Options dialog, open **SaveAs** dialog box, give your image a different name then click the **Save** button].

SUBMIT

1. After preparing image for optimal projection, members must log in and respond to each section on the form.
2. Complete all blanks including first and last name, image name and category (Open or Theme). The image file name in the File Upload* field **MUST** include the date, photographer's name, image title and image category – see example at left and **Image Naming Standard** on the previous page.
3. Upload your image – best approach is to click the “Browse” button and navigate to the image on your computer.
4. Note: you must check the “I’m not a robot” box and complete the reCAPTCHA quiz before you are allowed to submit an image.
5. After clicking the “Submit” button, a successful upload will be acknowledged on screen. You should also receive an email acknowledgement.
